O/Ref: 162/2025
DPCI/AA

Casablanca, the 28 JUL 2025

The Islamic Centre for Development of Trade (ICDT) presents its compliments to the Honorable Ministries in charge of Trade and Investment, Trade Promotion Organizations, Investment Promotion Agencies, as well as Federations of Chambers of Commerce and Professional Associations of the OIC Member States, and has the honor to inform them that, in celebration of the fiftieth anniversary of the independence of the Union of the Comoros, the National Agency for the Promotion of Investments (ANPI) of the Comoros, will organize under the high patronage of His Excellency Mr. Azali Assoumani, President of the Union of the Comoros, the 3rd **edition of the Union of the Comoros Business Fair (Business in Komor 2025)**, from August 26 to 29, 2025, at the People's Palace in Moroni, Union of the Comoros.

The objective of this Forum is to position the Comoros as a competitive and attractive investment destination by showcasing the country's key investment opportunities to investors from OIC Member States. It also aims to foster economic and trade partnerships among OIC countries and support regional integration efforts. This major event seeks to bring together businesses, investors, and public and private institutions around a shared vision: strengthening the entrepreneurial ecosystem and promoting investment opportunities across the Comoros.

In addition, the Forum will serve to promote investment flows among OIC Member States and facilitate the exchange of national and regional experiences. It will also contribute to the mobilization of financing for development projects by regional financial institutions and encourage the materialization of investment intentions in strategic and structuring projects. By doing so, the Forum will stimulate investment in intra-OIC value chains and foster deeper economic integration across the various regions of the OIC.

The following activities will be organized on the sidelines of the Forum:

- Deal Rooms: Dedicated sessions to present priority investment projects in the Comoros to investors, financial institutions, and development partners;
- Workshop for the establishment of the Trade Facilitation Committee as part of the Comoros' commitments under the WTO Trade Facilitation Agreement, in collaboration with the United Nations Conference on Trade and Development (UNCTAD);
- Site Visits: Guided tours to strategic locations offering tax incentives, modern infrastructure, and a regulatory framework conducive to business and foreign investment.

On this occasion, the ICDT would be grateful to the Honorable Ministries in charge of Trade and Investment, Trade Promotion Organizations, Investment Promotion Agencies, as well as Federations of Chambers of Commerce and Professional Associations of the OIC Member States for any arrangements they may undertake to facilitate the participation of their respective countries. The Centre also kindly requests their valued support in disseminating this information to all relevant stakeholders involved in trade and investment promotion, as well as to economic operators throughout the OIC Member States.
