The Ministry of International Relations and Trade of the Republic of Namibia presents its compliments to the Embassy of the Republic of Türkiye accredited to the Republic of Namibia and has the honour to inform the Embassy that the Ministry, in collaboration with key stakeholders, is organising the National Youth Trade Forum, scheduled to take place from 18 to 19 November 2026 in Windhoek, Namibia.

The Forum forms part of the Ministry's ongoing efforts to promote the meaningful participation of youth in trade and investment and to enhance their access to regional, continental and international markets. It will bring together young entrepreneurs, policymakers, private sector representatives, financial institutions, trade support organisations, development partners and other relevant stakeholders.

The Forum will also provide a platform for young entrepreneurs to showcase their products and services, exchange experiences, establish business networks and explore opportunities for trade, investment and market linkages. It is further envisaged that the Forum will facilitate greater interaction between Namibian youth-owned enterprises and investors/traders from other countries.

In this regard, the Ministry has the honour to invite your mission to participate in the National Youth Trade Forum and to identify two to three (2–3) businesses from your respective countries that may have an interest in participating in the Forum and exploring potential trade, investment and business partnership opportunities with Namibian enterprises.

The Ministry would further appreciate the consideration of financial assistance towards the organisation and implementation of the Forum. Such support would contribute to the successful delivery of the Forum and facilitate the participation of young entrepreneurs and other stakeholders. If your Mission is interested in providing financial assistance, kindly liaise with the Ministry for further details on the areas in which such support may be directed.

The Ministry would appreciate receiving the names and contact details of identified businesses to enable the necessary arrangements and communication with the identified businesses.

The Ministry of International Relations and Trade of the Republic of Namibia avails itself of this opportunity to renew to the Embassy of the Republic of Türkiye, the assurances of its highest consideration.
